**FOR:** PRODUCTION OF APOMICTIC SEED

**SUPPLEMENTAL PRELIMINARY AMENDMENT**

Commissioner for Patents  
Washington, D.C. 20231

Sir:

In response to the telephone conference with the Examiner on September 17, 2002, Applicant respectfully submits this supplemental preliminary amendment to correct the mistakes Applicant made when submitting claims for prosecution in its April 16, 2002 Preliminary Amendment.

Applicant's April 16, 2002 Preliminary Amendment incorrectly cancelled claims 1-42. Claims 1-42 were previously cancelled and therefore did not need to be cancelled. Applicant's April 16, 2002 Preliminary Amendment added claims 47-65, but failed to cancel all other claims. To correct this mistake, Applicant has renumbered claims 47-65 of the April 16, 2002 Preliminary Amendment to start at claim 84. Applicant cancels claims 49, 51, 53, 55, and 57 set forth in the April 16, 2002 Preliminary Amendment. The claims 84-97 set forth below are intended to be the sole pending claims submitted for examination. All other claims are hereby cancelled. Applicant thanks the Examiner for allowing this correction.
